August, 2020

Although we miss seeing folks at our hikes and interpretive events, due to the restrictions on the size of public gatherings we will not schedule fall events. The Preserve remains open so you can enjoy some quality outdoor time and exercise with friends and family by taking a hike or having a picnic.

We were honored to receive a grant from the **Strong Foundation for Environmental Values** this spring! This generous gift will assist our efforts to accomplish one or more projects on the Preserve. Our Board of Directors has been exploring the best way to accomplish multiple trail improvement projects which will start this fall. We will also perform our fall Adopt-A-Highway clean up.

We're excited to be participating in **North State GIVING TUESDAY** again this year, a powerful fundraising opportunity for local non-profits. The event occurs live on December 1 (the first Tuesday after Thanksgiving) from 6 a.m. to 8 p.m. Please go online to [www.northstategives](http://www.northstategives) and make a donation to Horsetown-Clear Creek Preserve on December 1. (Donations can be scheduled ahead of time if that is more convenient.) We will have information on our website and Facebook regarding Giving Tuesday as the date gets close.

Public donations of time and money allow us to maintain the Preserve and provide entertaining and educational hikes and events for all to enjoy. We want to thank those individuals who lead our hikes and events and make them enjoyable for the public who attend. We want to thank those who volunteer to help with trail maintenance and highway cleanup. And we want to thank all of you who've made tax deductible contributions for our cause. ALL OF YOU are the reason the Preserve has been successful!

THANK YOU ALL.

HCCP Board of Directors  
Cathy Scott, President
